Nation

God is sovereign. He is the final authority in heaven and on earth. He determined the boundaries of each nation and populated each for His purpose.

Acts.17:26-27 (NIV)

From one man he made all the nations, that they should inhabit the whole earth; and he marked out their appointed times in history and the boundaries of their lands. God did this so that they would seek him and perhaps reach out for him and find him, though he is not far from any one of us.

The world today is a broken place, far from the picture that God desires. However, He still has a beautiful plan for each nation. He calls on His people, the Church (citizens of heaven), to stand in the gap, pray, and live out the Kingdom of Heaven's culture so that His will may be done here on earth as it is in heaven.
