

LISTEN AND LOOK

What Can We Say?

When you trust and follow Jesus, God's your friend. He wants to talk with you. Tell God what you're doing, what you need, or how you feel. He's listening!

What You Need: List of things we can tell God.

What To do:

- Spend a day asking your child, "What can we say to God right now? Every hour or two
- Give your child plenty of time to answer, then pray with them about their answer.
- If your child has trouble thinking of what to say to God, use the "Tell God..." list for ideas.

TELL GOD...	
What you're doing	You love Him
What you need	How you're feeling
What you like	Thank you
How great He is	About someone who needs help

SAY TOGETHER: I can tell God everything.

QUESTIONS:

1. **What can you tell God about?** (*Anything and everything*)
2. **When you trust and follow Jesus, why does God want to talk with you?** (*He's my friend.*)

Now let them sit down and watch the Bible Story with you. Then the memory verse and Blinky (Life application) and thensing songs together. End with a prayer.
