#UltimateMultiplication

**Memory Verse:**

**Matthew 6:33**

But seek first his kingdom and his righteousness, and all these things will be given to you as well.

## SUNDAY

### #StartingPoint

The Bible is filled with the principle of multiplication both directly and indirectly. God, in the beginning told Adam and Eve to be fruitful and multiply. Noah and his family were told the same after the flood. Abraham was promised by God that he would be a father of many nations even and would have many descendants as the sand on the shores and the stars in the sky. Jesus multiplied 5 loaves and 2 small fish to feed thousands of people. The Church has grown from the original 12 disciples to millions of believers.

How is all this possible? What is this multiplication principle? How does it work?

One thing is clear according to the bible - Multiplication does not happen by chance or luck.

1. Everything that comes from God is Blessed and has the power to be multiplied
2. Everything that is Given Away for a purpose has the power to be multiplied.

This week we will be looking more closely at this principle and how you and I can apply it in our lives so as to live a life that is blessed.

## MONDAY

### #JesusAndMe(JAM)

We pray to demonstrate our faith in God, that He will do as He has promised in His Word and bless our lives abundantly more than we could ask or hope for.

Read Deuteronomy 28:12, Luke 6:38

1. Pray that you will learn to trust God with your finances and put Him first.
2. Ask God to give you opportunities to give to others or invest wisely.
3. Let's pray for our families. Pray that God will bless the works of their hands. Pray for your parent's work places and businesses.

## FRIDAY

### #Servelt

Read: Luke 16:13 and Ecclesiastes 5:10

### God has blessed our Talents, Time and Treasures.

Can you identify the things that are preventing you from giving away any of these three things especially to serve others or to expand the kingdom of God?

This week we would like to serve someone in our family by giving them either our time, or a talent to serve them or a treasure to encourage them or meet a need.

Identify a family member that you know needs to be served by giving to them! Do it extravagantly and go over and above the normal!

Tuesdays and Thursday will be free for your personal school and family.

1. How can you tell that something is blessed by God?
2. Can you identify something in your life that you know you can give away to someone or towards a godly cause? What are they?
